Recommendation. Ella is one of the most passionate and sold-out believers I know. She joyfully steps into the fullness of all that Christ taught His people to do. She is truly a preacher of the good news of the Kingdom of God.

Extreme Prophetic Sister Ella Onakoya was one of the evangelists sent along with us to start out the Redeemed Christian Centre Good Shepherds Pasture, Alagomeji Nigeria from the mother parish RCCG Freedom hall in the late 90s.

She is diligent and loves the Lord and over the years has grown to be an itinerary speaker. She has a passion to see souls saved and has come from a strong apostolic background fostered in those early days of ministry in the Good shepherds pasture. The church she pioneered with us has planted other churches in Brussels, Belgium called the RCCG in Belgium Christ Love Assembly, House Of Gold In South Africa and The Christ Love Assembly in Oxford UK. We recommend her to speak and minister in any church, conference as well as crusades as she desires very much to see captives set free in the power of the Holy Ghost.
