Ella has visited our church in the Netherlands and she ministered on prophetic evangelism. She was very inspiring to us as a church. She stirred up the hearts of the people to hear from the Holy Spirit to whom we have to speak to when we are walking on the streets. God moved during her ministry and it will be a blessing to have her to minister in your church. One lady in our church was walking with her dog and walked alongside a man, and the Holy Spirit told her to talk to this man, and praise God he gave his life to Christ. So her teaching is very practical and needed for the church to reach out and win souls for Gods kingdom. Pastor Jan Anne Slot, Bron Van Levend Water (Source of Living Waters Church)
